

COVID-19 Business support grants November 2020 - December 2020 & January 2021 onwards

The Local Restrictions Support Grants (LRSG (Closed) Addendum)

Updated 16.02.2021

The Local Restrictions Support Grants (LRSG (Closed) Addendum) support businesses that have been required to close due to the national restrictions.

Businesses that were open as usual, but then required to close due to national restrictions imposed by government may be eligible for the LRSG (Closed) Addendum schemes:

- from 5 January 2021 onwards
- between 5 November and 2 December 2020

Eligible businesses may be entitled to a cash grant from their local council for each period under national restrictions.

When national restrictions are introduced and businesses are required to close, the LRSG (Closed) Addendum schemes supersede the [LRSG \(Closed\)](#), [LRSG \(Open\)](#) and [LRSG \(Sector\)](#) schemes.

Eligibility

Your business may be eligible if it:

- is based in England
- occupies property on which it pays business rates (and is the ratepayer)
- has been required to close because of the national restrictions from 5 January 2021 onwards, or between 5 November and 2 December 2020
- has been unable to provide its usual in-person customer service from its premises

For example, this could include non-essential retail, leisure, personal care, sports facilities, tourism and hospitality businesses. It could also include businesses that operate primarily as an in-person venue, but which have been forced to close those services and provide a takeaway-only service instead.

Eligible businesses can get one grant for each non-domestic property.

Businesses excluded from the fund

You cannot get funding if:

- you can continue to operate during the period of restrictions because you do not depend on providing direct in-person services from your premises (for example accountants)
- you have chosen to close, but have not been required to close as part of national restrictions
- your business is in administration, insolvent or has been struck off the Companies House register
- you have exceeded the permitted subsidy limit

You must notify your local council if your situation changes and you no longer meet the eligibility criteria.

Subsidy control and state aid

Following the end of the transition period on 31 December 2020, there have been no changes to the conditions of this grant scheme. Your local council will set out the eligibility requirements for the scheme.
