

# HELP WITH HOUSING COSTS

Is the amount of help you get from Housing Benefit or the Housing Element of Universal Credit not enough to meet your rent?

**You might be entitled to a Discretionary Housing Payment.**

**Did you know we can also make a Discretionary Housing Payment, if you get help with your rent from Housing Benefit or Universal Credit, when;**

- Rent arrears are preventing you from moving to a more affordable property
- You are at risk of losing your home because of rent arrears
- You want to move to a more suitable property but can't afford the rent in advance payments or deposit
